

## 2020 SHAKER 7 RACE CANCELLED

Due to the uncertainty generated by the COVID-19 virus, the 2020 Shaker 7 Race scheduled for June 28<sup>th</sup> has been cancelled.

Stay at home orders have made it difficult to properly plan for the event. It is also hard to judge what the participation rate would be this year, as people may be reluctant to assemble in large groups even if the threat of the virus has diminished.

The Shaker 7 is always a fun event, and, of course, a major fundraiser for EVA's community building efforts. We were reluctant to cancel, and will miss seeing old friends and making new acquaintances.

We look forward to seeing you in 2021! (June 27<sup>th</sup>)
